Family Life Ministries

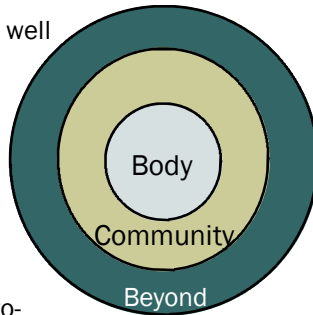

Family Life Ministries at Seaford has three ministry focus areas.

- Life in the Body
- Life in the Community
- Life Beyond

The first area of focus is on ministry to the adults of our church, and the ministry goal is to grow them into fully-devoted followers of Jesus Christ. This is done through Life Development classes such as Sunday morning Bible study and specifically defined electives as well as ministry to specific interest and stage-of-life groups, such as ministries to women, men, senior adults, deaf, singles, and military, as well

as the many support ministries that serve. Leadership training helps us all grow in ministry effectiveness.

The Resource Center provides support for all these ministries.

The second focus area is Outreach in and outside of Seaford in the community. These include Colonial Harbor Retirement, Convalescent, Dial-A-Prayer, Food Closet, Health Care, Homebound Tape, and In Touch ministries.

The third area of focus is missions here in our community and internationally through missionary support, education, and participation.
