

## What is Military Ministry at Seaford?

Seaford Baptist Church has a focused military ministry that is strategic and intentional in reaching, discipling, training, and ministering to military members and their families.

Military Ministry embodies the heart of a servant as demonstrated by our Lord. We desire to love, serve, bless, train, and equip by offering practical helps, acts of kindness, sound instruction, and unfailing support to those serving in the Armed Forces. The scriptural foundation of Military Ministry is the Great Commandment.

You shall love the Lord your God with all your heart, with all your soul, and with all your mind...you shall love your neighbor as yourself. Matthew 22:37-39

Military Ministry recognizes that a Providential God has given us the tremendous opportunity to conduct strategic, “missional” work through committed saints in the military. This is accomplished through training, equipping, and then commissioning military families so that when they move away, they depart our church family a more mature believer—ready to serve as a missionary in the world-wide mission field of the military. The scriptural foundation of military missions is the Great Commission.

...You shall be my witnesses...to the end of the earth. Acts 1:8  
Go...make disciples of all the nations... Matthew 29:19
